General Information

CHEC is a ministry to families

If you support our vision of providing leadership, information and resources with a Christ-centered focus for those involved in home education, we ask that you prayerfully consider partnering with us in any of the following ways:

- **Stakeholders** – \$50 or more per year.
- **Founding Families** – at least \$15 per month (or \$180 per year).
- **Scholarship for Conference Attendees** – CHEC recognizes that not every family can absorb the cost of a conference registration in their budget so we provide a special scholarship fund to which others may contribute.
- Those who give \$50, or more per year, will receive a 15% discount on the upcoming conference, 15% discount on membership with HSLDA, and 10% discount on CHEC products.

Registration includes admission to the entire conference: Thursday's Pre-conference and Friday and Saturday's Conference, including the Exhibit Hall and vendor demonstrations.

Pastors

Conference attendees may bring their pastor, who is not home educating his own children, to the conference free of charge. Please have your pastor request a "Pastor's Guest Pass" on church letterhead with their completed registration form. The pastor may also bring their spouse along at no charge.

Strollers and Rolling Devices

These will be allowed in the exhibit hall only.

Children Under 13

This conference is intended for parents' enrichment, and we are unable to accommodate children under 13 years of age. This policy will be strictly enforced. Nursing babies are welcome. However, on Saturday only, for a small fee, children under 13 will be allowed to attend the Saturday morning general session and have access to the exhibit hall. Parents need to have purchased an adult pass and supervise their children at all times. Cost is \$5 per child with a maximum of \$15 per family, which can be paid at the door on Saturday.
